

MEUSD Classlink Portal Login Instructions

Dear Parents,

We are pleased to share that we have adopted ClassLink, a single sign-on platform that will allow teachers and students to use one username and password to access everything they need.

- Log in to MEUSD's Classlink portal at <https://launchpad.classlink.com/meusd>
- On the following page click on the "Sign in with Google" button.
- Enter in your child's MEUSD email address (it should end with @stu.meusd.org)
- Then enter your child's password. This is the same password that they use to log into their school Chromebook. The format is STUxxxxx! (the xxxxx is their student ID number). If they don't remember their password please contact their teacher and they can assist you.
- If your child is in grades TK - 1 they will sign in using the "Sign in with Quickcard" button. You will need to contact your child's teacher for a copy of the quickcard.
- This will log you into their Classlink Portal. From here you can access all their programs without the need to enter in usernames or passwords.
- Some apps require an extension (Classlink Oneclick Extension) to be installed. It will prompt you to install it and give a link to download if it is required. It can also be downloaded here - <https://help.classlink.com/s/article/cl-oneclick-browser-extension>
